Part I, Line 2 - Procedures for Monitoring Use of Grants Funds in U.S.

The organization collects the following information from individuals that identify as trans, that are seeking to update identity documents, and are in a position of financial need: date of application, - name, pronouns, phone number, email, language they would you like to use when working with the organization, location, documents they need help with, and whether they have previous criminal record. Once this information is collected, volunteers from the organization's microgrants program contact the applicants via phone or email to verify their identity and their level of financial need. Because we trust our applicants to determine their own identities and to best understand their unique financial situation, the verification process is a conversation that takes into account the various intersections of the applicants'

life circumstances. Once the applicants' needs are assessed a supervising staff member will review the case and then disburse the individual grant. Due to the small amount of funds disbursed to each individual recipient and the desire to avoid adding barriers to vulnerable individuals already facing significant challenges in accessing services, we do not subject grant recipients to reporting requirements beyond the ones described here.

Form 990, Part III, Line 2 - New Services

In 2020, the hotline introduced the Spanish language hotline extension, which is staffed by bilingual peer support specialists. The hotline also introduced Domestic & Intimate Partner Violence services, as well as expanded internship options for students across the US and Canada. In the last quarter of 2020, the hotline kicked off its first-ever BIPOC Peer Support Leadership Fellowship, which in 2021 welcomed 5 fellows for a 6-month intensive program aimed at empowering peer supporters in trans communities of color. In 2020, we also initiated the ""communications & advocacy"" pilot program which reimagined how Trans Lifeline might communicate with and advocate for the greater trans community through increasing accessibility of our services, collaboration with movement-partners, and utilization of our unique position to enact meaningful social change at a community, state, and national scale, in addition to our existing individual-level services.

Form 990, Part III, Line 4b - Program Service Accomplishments

In 2020, Trans Lifeline's hotline program answered 24,808 calls from 12,681 unique callers and averaged a 64.27% monthly increase in new callers. 2020 also saw a significant uptick in crisis calls compared to the previous year. In 2019, the hotline rarely logged over 200 crisis calls per month, whereas in 2020 10 of 12 months exceeded 200 crisis calls, and 2 months saw over 300. Despite this significant increase in intensity, answer rates remained between 50%-75% for the majority of the year. This was made possible thanks to a major increase in staffing, with our hotline staff doubling in size as compared to 2019. In addition to bringing in experienced peer support providers, the staffing increase also made it possible to initiate the Spanish language hotline extension with bilingual peer support specialists, Domestic & Intimate Partner Violence services, expanded internship options for students across the US and Canada. Additionally we were able to bring in staffing for curriculum development for a comprehensive training and resource overhaul. In the last quarter of 2020, the program laid the groundwork for its first-ever BIPOC Peer Support Leadership Fellowship, which in 2021 welcomed 5 fellows for a 6-month intensive program aimed at empowering peer supporters in trans communities of color. The program also expanded its involvement with external partners, being featured in regional and national educational and professional events alongside organizations like the Trevor Project, the National Association of Peer Supporters and the International Initiative for Mental Health Leadership. 2020 was also a year that saw a marked increase in highly qualified volunteers and interns working with the program, and set the course for a steady increase in partnerships with universities in the US and Canada for both undergraduate and masters level internships, including clinical placements for students in 6 universities. Lastly, in August of 2020, a full retroactive data tagging project was completed for calls spanning from the hotline's launch to the present day, allowing

We trained 7 new volunteers while continuing to engage current and potential volunteers and allies.

If necessary, a tax attorney will be retained for legal counsel regarding the organizations reporting requirements. As of March 2020, the organization has an existing attorney-client relationship with Neo Law Group. Once the draft 990 is completed, the Director of Operations will present it to the Executive Director and the Finance Committee for review and suggestions. Once the draft 990 is finalized, the Director of Operations and the Finance Committee will present it to the Board for approval. Board approval must be granted before filing. Once filed, two copies of the filed 990 will be retained indefinitely: The full form 990 will be retained as an internal document, both physically at the Oakland office, and digitally in Drive, and it will be available to Executive staff, the Development Director, and the Board. In compliance with IRS public disclosure requirements, the public disclosure copy of the IRS 990 will be made available on our website.
